Mike Braunreiter – President
Chris Dockry – Immediate Past President
Jack Nelson – Vice President
Rick Zellner – Treasure
Cheryl Braunreiter - Secretary

Marty Thyssen - Director
Steve Motiff - Director
Dave O'Bright - Director

Social Event – Brat Meet and Greet

The board will be hosting a free Brat Meet and Greet at May's Bar on Saturday, November 6th 1:00 p.m. to 3:00 p.m. Come and meet the new board and enjoy socializing with fellow Associate members. This would also be a great time to check out the aeration system and the pump house.

Little Rice Lake Association

Update on Aerator

With the help of about a dozen volunteers, the aeration lines was successfully installed on Sunday, September 26, 2021. The aeration system was fired up this past weekend (October 9th) and we got bubbles on all four lines.

Big shout out and thank you to Jay Barta for letting us borrow his generator for the power until WPS installs our power.

Another big shout out and thank you to Dave O'Bright for being the project leader.

There is still work left to be done:

- Blower needs to be electrified
- Public Service still needs to run the electric lines
- Valve system needs to be re-done before lake freezes
- Aeration boarder needs to be put up when lake freezes at least 4 inches

On-Going work:

- Oil change once a year
- Need to collect oxygen levels through-out the winter months

Little Rice Lake Association

Update to Membership Renewal Date

The board had its first official meeting on October 2, 2021. During the board meeting, it was decided and voted on that we would change the annual membership from October 1 through September 30th to January 1 through December 31st. To all of those that have already renewed your membership – THANK YOU, you will not need to renew again in January. Your membership will be for the full calendar year of 2022.
